How long have you been a patient at Path Medical?

I have been a patient at Path Medical for seven months.

Upon arriving, what was your chief complaint? *Chief complaint*

was weakness and brain fog and depression.

How much better are you since your first visit?

I am 60% better than I was when I first came here.

Please share your name or initials and a personal testimonial of your healing. Use the otherside of the paper for more space.

Ann Marie Corsello

Please share your testimonial on the web. *OK*
